5. EFFECTIVE DATE, DURATION AND CANCELLATION OF THE POLICY

5.1. WHEN DOES YOUR POLICY TAKE EFFECT?

On the date specified on the *Membership certificate* and, at the earliest, on the 16th of the month or on the first day of the month following receipt of the application (including the Application form and Health questionnaire completed and signed), subject to payment of the first *Premium* and our acceptance of the application evidenced by the issuing of a *Membership certificate* specifying the cover selected.

5.2. WAITING PERIODS WHICH APPLY TO YOUR POLICY:

The cover takes effect for each of the *Insured* on the *Effective date* of membership subject to the application of the following *Waiting periods* for medical expenses cover:

- 3 months for expenses related to dental, periodontal and endodontics treatments,
- 6 months for expenses related to dentures, implants, orthodontics, and optical (contact lenses, frame, lenses),
- 12 months for expenses related to medically assisted procreation.

Any treatment or procedures prescribed before the *Effective date* of policy or during the *Waiting periods* are excluded from cover and will not be reimbursed.

The *Waiting periods* may be cancelled if *You* can prove that *You* had medical expenses cover equivalent to or greater than the Euro Cover + benefits in the month preceding the period of cover.

Cancellation of the *Waiting periods* is subject to our agreement following a review of the cover to which *You* were previously entitled.

5.3. DURATION OF COVER AND RENEWING YOUR POLICY:

Membership of this policy is effective for a period ending on 31st December of the year during which it came into effect. It is renewed automatically on 1st January of each year for a period of one year and for as long as the plans remain in force.

Your medical expenses cover is life-long from the date of membership, that is, the insurer may not cancel your policy other than in the cases listed in paragraph 5.4.

5.4. YOUR COVER COMES TO AN END:

- a) if the *Member* cancels at the annual renewal date of 31/12 by registered letter at least 2 months before this date (sent before the 31/10). The *Member* may cancel individual elements of the policy (although the *Personal liability* (private capacity) and legal assistance insurance must be combined with over cover under the policy and income protection cover is only available if death and total and irreversible loss of autonomy cover has already been selected);
- b) if the *Premium* is not paid (see paragraph 6.3);
- c) in the event of cancellation of the plan by the insurer or by "l'Association des Assurés d'APRIL Mobilité" Insured on the annual due date (in this case the Association will inform each *Member*);

In the event of termination by the insurer or the Association as per paragraph c/ above, the insurer agrees to maintain, at the *Member's* request, medical expenses cover equivalent to that in force on the date of termination. When the period of cover exceeds 2 years following the *Effective date* of cover, the same rules apply to cover for death and total and irreversible loss of autonomy and income protection.

Penalties for false declaration

Whether in respect of declarations made at the time of application or those made during the life of the policy, any intentional concealment or false declaration and any omission from or misrepresentation of the risk, will, depending on the circumstances, invoke the application of articles L.113-8 and L.113-9 of the French Insurance Code.

Any omission, concealment, false declaration, intentional or not, in making a *Claim*, failure to declare other concurrent insurance cover, the submission of inaccurate supporting documentation or the use of any fraudulent means puts the *Insured* and the *Member* at risk of withdrawal of cover and the termination of the policy.

5.5. HOW TO CANCEL YOUR POLICY:

Signing the Application form does not constitute a binding agreement for the *Member*.

If the *Member* signed the insurance contract as a result of door-to-door canvassing:

The following provisions under article L112-9-I of the French Insurance Code apply: "Any person who is canvassed at their home or residence or place of work, even if this visit was at their own request, and who signs an insurance proposal or contract for a purpose which is not related to their commercial or professional activity, may cancel this agreement by sending a letter by recorded delivery with proof of receipt during a period of 14 days from the day of signature of the agreement without requiring to specify the reason for the cancellation or being subject to penalties. [...] As soon as they become aware of any circumstances which give rise to a claim under the policy, the policyholder loses this right to cancel." Cover ceases on the date of receipt of the letter of cancellation and We will refund to the *Member* any *Premium* already paid with the exception of the *Premium* corresponding to the period of cover already passed.

If the *Member* has entered into a distance contract:

The *Member* may cancel the contract within 14 days of receipt of the *Membership certificate*. The cancellation is backdated so that the policy is considered never to have existed. We will refund to the *Member* within 30 days any monies paid. However, We will retain the entire *Premium* if the *Member* cancels the policy when a *Claim* has arisen during the period of consideration.

For death benefit and total and irreversible loss of autonomy and income protection cover:

Signing the Application form does not constitute a binding agreement for the *Member* who can cancel the policy within 30 days of receipt of the *Membership certificate*. The cancellation is backdated so that the policy is considered never to have existed. The *Member* will then receive a refund of any sums that they may have paid within 30 days of receipt of the registered letter. If the *Insured* has made a claim under the policy during the 30 day period, the right to cancel no longer applies.

In all cases, in order to exercise this right to cancel:

The *Member* should send a letter by recorded delivery with proof of receipt to: APRIL International Expat - Service Suivi Client - 110, avenue de la République - CS 51108 - 75127 Paris Cedex 11 - FRANCE.

The *Member* may word this letter as follows:

"I, the undersigned(first name, surname, address),
wish to cancel my Euro Cover + policy number
Signed in on..... Signature....."

6. PREMIUMS**6.1. HOW IS YOUR PREMIUM CALCULATED?**

The *Premium* increases on 1st January of each year in line with the age of the *Insured*. The age of the *Insured* used to calculate the first year's *Premium* is the age of the *Insured* on the *Effective date* of membership. For each following year, the age of the *Insured* used to calculate the *Premium* is the age of the *Insured* on 1st January of that year.

Taxes currently payable by the *Member* are included in the *Premium*. Any change in the level of these taxes will be reflected in the amount of the *Premium*.

In the case of family cover for medical expenses, the age of the eldest *Insured* determines the level of the *Premium*. Over the age of 65, an individual *Premium* must be paid.

The *Premium* may increase on 1st January of each year depending on the claims history of the insured group. The composition of the group takes into account age, profession, country of residence, cover selected and individual or family cover.

The *Insured's* state of health and their level of medical expenditure are not taken into account for the calculation of the *Premium*.

If the *Member* requests an amendment to the level of cover initially selected, the age used for the calculation of the *Premium* will be the age of the *Insured* on the date when the amendment takes effect.

6.2. PAYMENT METHODS:

Premiums are payable in advance in euros annually, twice-yearly, quarterly or monthly using the payment method chosen by the *Member* and shown on their Application form:

- credit or debit card,
- cheque in euros,
- bank transfer,
- direct debit from a French bank account.

6.3. WHAT HAPPENS IF THE PREMIUM IS NOT PAID?

If the *Premium* remains unpaid 10 days after its due date, *We* will serve the *Member* with formal notice of suspension of cover. The policy will then be suspended 30 days later. Following a further period of 10 days, *We* will terminate the policy. Legal action may be taken to secure payment of any unpaid *Premiums*.

Once formal notice has been served, the *Premium* due for the entire year is immediately payable under the French Insurance Code. Please note that failure to pay the *Premiums* and the subsequent termination of the policy does not cancel the debt. *We* will take appropriate action to obtain payment of the *Premium* due and will have recourse to a debt recovery firm specialising in international debts. The *Member* is liable for any administration charges incurred as a result of any action taken by *Us* or by our service providers. If the amount stated on the letter of formal notice is paid after suspension of the policy but before termination, the policy will be revived at noon on the day after the *Premium* is paid.

No expenses incurred during the period of suspension of cover will be reimbursed under the policy, even once the *Premium* has been paid.

7. READJUSTMENT OF BENEFITS AND PREMIUM LEVELS

The benefits and *Premiums* due in the event of sick leave from work are increased on 1st January each year by 2%, throughout the life of the policy.

In order to determine the level of benefits due, the insured sums are those in force on the first day of the period of sick leave.

8. HOW TO AMEND YOUR POLICY

The *Member* can at any time amend the level of cover initially selected (these changes will take effect at the earliest on the first day of the month following receipt of the requested amendment). Details of the circumstances surrounding the *Claim* and their consequences should also be provided.

9.4.3. SPECIAL PROVISIONS

Disputes

In the event of disputes regarding the measures to be taken to settle a disagreement, this matter may be submitted to a third party designated by mutual agreement or else by the president of a departmental court of Paris to act as arbiter. The insurer will cover the costs of establishing this faculty. However, the president of the departmental court of Paris may decide otherwise if *You* have established this faculty under abusive conditions.

If *You* undertake litigation at your own cost and obtain a resolution that is more favourable than that proposed by the insurer or by the third party mentioned above, the insurer will reimburse *You* the costs incurred up to the cover limit.

When the procedure described above is put in motion, the time limit on appeals is suspended for all legal proceedings covered by the insurance and which *You* may undertake, until the party entrusted to propose a solution has made known its contents.

Choice of legal representation

In the event of legal or administrative action requiring the participation of a lawyer or any other person qualified by law or current regulations to represent your interests, *You* have free choice and the insurer will pay the fees directly. If *You* do not know a lawyer, the insurer may make one available to *You*. The aforementioned free choice is also applicable if there is a conflict of interest between *You* and the insurer.

Procedure -Transactions

In the event of proceedings involving liabilities covered by this insurance, the insurer reserves the right, under the limits of the cover, to direct the proceedings and exercise all appeals before civil, commercial or administrative jurisdictions.

Should *You* not allow this option to be exercised, the insurer will have the right to terminate the insurance.

In the case of proceedings before a criminal court and if the victim(s) have not been compensated, the insurer will have the right, with your agreement, to direct the defence or to take part in proceedings. In the absence of such an agreement, the insurer can, nevertheless, take responsibility for the defence of your civil interests.

The insurer can equally exercise all appeals in your name, including appeal in cassation, when criminal interests are not involved. Otherwise, the insurer can only exercise them with your agreement.

You are prohibited, within the limits of the insurance, from reaching a settlement with the injured party.

Any admission of liability or transaction carried out without the involvement of the insurer will not be enforceable; the confession of a material fact is not considered as admission of liability.

9.5. LEGAL ASSISTANCE:

9.5.1. LEGAL AND PREVENTION HELPLINE

A team of specialist lawyers is available to inform *You* of your rights and provide practical legal advice. *You* can also seek advice on preventive measures to safeguard your rights and interests in order to avoid a *Dispute*. *You* may consult this service regarding any area of law and obtain a response in **French, English or Spanish** by calling **+33 (0)1 48 10 61 78**, 24 hours a day, 7 days a week. *You* will be asked for your policy number when using this service.

9.5.2. LEGAL ASSISTANCE IN THE EVENT OF LITIGATION

If *You* are faced with *Litigation* from an opposing *Identified third party* and if your request is legally grounded and this *Litigation* has been filed against *You* in a private capacity or as an employee, *You* are entitled to cover in the following areas of **up to €16,000 per *Litigation* and per *Insurance year***:

- **Criminal law:** *You* are covered for the defence of your interests if *You* are brought before a criminal court or an administrative commission following an event insured under the *Personal liability* (private capacity) cover [see paragraph 9.4.] in so far as *You* are not represented by the lawyer acting for the insurer in the defence of your civil interests.
- **Accommodation:** *You* are covered for disputes with your landlord. This includes *Disputes* regarding maintenance work inside the property, interior design or improvements, disputes relating to neighbourhood disturbances or to disputes over service charges.
- **Local government:** *You* are covered for *Disputes* *You* have with local government (excluding tax authorities), public services and local authorities.
- **Internet purchases:** *You* are covered for *Disputes* relating to the transaction carried out on an internet website.
- **Remedy:** The insurer will intervene to claim compensation from the person identified as responsible for any personal injury or material damage *You* suffer as the result of an *Accident*.

A team of lawyers will make every effort to settle your *Disputes* and defend your interests to the best of their ability. They are available to help *You* prepare the best possible case.

To take advantage of this cover, *You* must provide sufficient documentary evidence to prove that legal action is being taken against *You* (bills, estimates etc.). Consequently, this preliminary phase is at your own expense.

Search for an amicable solution

Following an in-depth review of your case, lawyers specialising in negotiation, will take the required legal action against the *Opposing party* in order to prioritise an amicable solution to your *Dispute*. This procedure is the most effective and fastest way of enforcing your legal rights.

Payment of legal expenses

If no amicable solution can be found, or if the situation requires it, the insurer will take your case to the competent court and cover the costs incurred in the pursuit of legal action (lawyer's fees, legal expertise, costs and fees of solicitors and bailiffs) within the limits clearly specified as follows.

These fees include secretarial and travel costs and are shown including all taxes. If the case is brought before a foreign court, the insurer will pay the fees corresponding to the equivalent French jurisdiction and cover the cost of enforcing the ruling in your favour if the debtor can be located and is solvent. Otherwise the insurer's intervention will cease.

If *You* require the services of a lawyer, the insurer will cover their fees. *You* can choose your usual lawyer or select a qualified lawyer from the competent court. Alternatively, the insurer may, if *You* prefer, provide *You* with the name of a legal partner. *You* must make this request in writing.

How to benefit from the cover:

As soon as *You* become aware of the *Litigation*, *You* must declare it by calling +33 (0)1 48 10 61 78, by email to expat@soluciapj.fr or by writing to Solucia PJ – Tour Essor - 14, rue Scandicci - 93500 Pantin - FRANCE.

If there is a delay in declaring the *Litigation* and if this delay proves to be prejudicial to the insurance company, they may refuse to intervene.

The *Litigation* must have occurred after the *Effective date* of cover and must be declared during the period of validity of the policy.

If *You* declare the *Litigation* in writing, *You* must send a declaration giving specific details of the circumstances of the *Litigation*, your policy number, your address and telephone number and the address and telephone number of the *Opposing party* and all documentation in support of your claim. Costs must not be incurred nor action undertaken without the insurer's agreement. Any action to be taken will be agreed jointly between *You* and the insurer. If prior agreement is not given, the cost and consequences of any action will be at your own expense, unless it is a matter of urgent risk mitigation.

Arbitration clause

In the event of a dispute between *You* and the insurer, the insurer will apply Article 127- 4 of the French Insurance Code which set outs the procedure for settling a *Dispute*. *You* and the insurer may agree to appoint a third party to act as arbitrator in the dispute. If the appointment of a third party cannot be agreed mutually, the third party will be appointed by the Presiding Magistrate of a High Court, acting in chambers, the costs being paid by the insurer.

However, the Presiding Magistrate of the High Court may decide otherwise if he considers the procedure to have been improperly used. If *You* undertake litigation at your own expense and obtain a resolution more favourable than that proposed by the insurer - or by the designated third party - the insurer will reimburse the costs incurred by *You* within the limits of cover under the policy.

You can also submit the dispute for assessment by a third person, freely chosen by *You*, who is recognised to be independent and authorized to give legal advice. *You* must notify the insurer of this appointment and this person's fees will be paid by the insurer up to a maximum of €200.

The instigation of arbitration proceedings shall suspend all deadlines for lodging an appeal, until the third party has proposed a solution.

This suspension applies to all judicial bodies which are covered under the policy and to which *You* may apply.

Conflicts of interest

In the event of a conflict of interest, in particular when two persons insured by the insurer are in *Dispute*, *You* can freely choose a lawyer or qualified person to assist *You*. Fees and expenses will be paid by the insurer within the limits of this policy.

9.6. DEATH AND TOTAL AND IRREVERSIBLE LOSS OF AUTONOMY/DOUBLE BENEFIT:

9.6.1. DEATH BENEFIT

a) Choice and level of lump sum

This cover provides payment of a lump sum to the named *Beneficiary* or *Beneficiaries* in the event of your death before your 65th birthday. The amount of the lump sum varies between €20,000 and €400,000.

The *Member* is free to choose the amount. The *Member* can choose a different amount in the future; if a higher sum is selected, medical formalities will be required.

b) Death benefits any cause

In the event of your death regardless of the cause, the insurer pays the named *Beneficiary* or *Beneficiaries* a lump sum equal to 100% of the sum selected.

c) Accidental death benefits

In the event of your death in an *Accident*, the insurer pays an additional sum equal to 100% of the sum selected and paid under subsection b) above.

The cover applies on condition that the death occurs at the latest 6 months after the *Accident*.

d)) Formalities to be completed in the event of a *Claim* and payment of benefits**How to benefit from the cover:**

The death must be declared by sending the insurer, through our intermediary, the supporting documents necessary for payment, including:

- a copy of the death certificate;
- a medical certificate from a doctor having verified the death, showing the date of death and specifying if it was due to natural causes or *Accident*;

The insurer reserves the right to request additional documentation.

The lump sum is paid to the named *Beneficiary/Beneficiaries* within fifteen days following the date of receipt of the supporting documents by the insurer.

9.6.2. TOTAL AND IRREVERSIBLE LOSS OF AUTONOMY**a) Definition of the benefits**

Total and irreversible loss of autonomy: where *You* are totally and permanently medically unfit for gainful employment and require the assistance of a third party to carry out basic daily tasks.

The total and irreversible loss of autonomy due to an illness or *Accident* covered under the policy and which is confirmed before your 65th birthday is treated in the same way as death. The death benefit is calculated from the date of medical confirmation of the state of total and irreversible loss of autonomy and is paid to *You* in advance.

To be eligible for benefits, your total and irreversible loss of autonomy must be stabilised before the date of retirement and, at the latest, before your 65th birthday.

Early payment of death benefits in the event of total and irreversible loss of autonomy cancels all other death benefits (with the exception of double benefit) and income protection cover under the policy.

b) Procedure for making a *Claim* and payment of benefits**How to benefit from the cover:**

The declaration of a state of total and irreversible loss of autonomy rests with *You* and *You* must provide proof to the insurer, through our intermediary, by sending *Us* the required supporting documents. These include:

- a detailed certificate from the attending physician;
- if necessary, notification of payment from a Social Security scheme of a disability pension requiring the assistance of a third party;
- document proving identity and/or marital status;
- a report issued by the police or other competent authority in the event of an *Accident*;
- if necessary, document specifying the cause and circumstances of the *Accident* having caused total and irreversible loss of autonomy.

Recognition and audit by the insurer of the state of total and irreversible loss of autonomy

Until such times as the benefit is paid, the insurer may carry out any audits and subject the claimant to any medical examinations deemed useful in order to evaluate, diagnose or monitor the state of total and irreversible loss of autonomy.

In the event of a dispute between your physician and that of the insurer regarding the state of total and irreversible loss of autonomy, *You*

and the insurer shall jointly choose a third physician to make the decision.

You agree to abide by the jurisdiction of the courts of Paris and waive the right to any proceedings in any other country.

Payment of the lump sum

The insured amount due is payable six months after the date of recognition by the insurer of the state of total and irreversible loss of autonomy and subject to the permanence of this state.

9.6.3. LUMP SUM IN THE EVENT OF THE DEATH OF YOUR *SPOUSE* SIMULTANEOUS TO OR FOLLOWING YOUR OWN (DOUBLE BENEFIT)

a) Definition of the benefits

If your *Spouse* dies before the age of 65, whether this event is simultaneous with (in the 24 hours before or after your death) or subsequent with your death (in the 6 months following your death), a lump sum is paid to any *Dependent child* or *children* who remain dependent on your *Spouse* under the terms of the policy at the time of your *Spouse's* death.

The amount of this lump sum is fixed at 50% of the sum defined in paragraph b/ of paragraph 9.6.1. and paid after your death.

b) Formalities to be completed in the event of a *Claim* and payment of benefits

The required supporting documentation for payment includes:

- a copy of the death certificate;
- a medical certificate from the doctor having certified the death, showing the date of death and specifying if it was due to natural causes or an *Accident*;
- a report issued by the police or other competent authority in the event of death following an *Accident*;
- a document proving identity and marital status of the *Beneficiary/Beneficiaries*.

The lump sum is paid under the conditions described in paragraph 9.6.1.

Allocation of the lump sum: the sum is paid to the *Dependent child/children* on the date of your death and on condition that they were living with the *Spouse* under the terms of the policy on the date of their death.

9.6.4. WAIVER OF *PREMIUM* - CONTINUATION OF COVER DURING SICK LEAVE FROM WORK

a) Waiver of *Premium*

If *You* are on total sick leave from work following an illness or *Accident* occurring before your 65th birthday, the *Premium* for the selected benefits (except *Personal liability* - private capacity - and legal assistance and repatriation assistance cover) is waived:

- if *You* did not select income protection benefits: from the 91st day of total and continuous sick leave from work;
- if *You* selected income protection benefits: from the 31st or 61st day of total and continuous sick leave from work depending on the option selected.

To be considered as being on total and continuous sick leave, *You* must be in a state of total temporary incapacity to work or in a state of total permanent disability as defined by paragraph 9.7.2. recognised by the insurer.

b) Continuation of cover:

As long as the *Member* is exempt from paying the *Premium* under the terms described in subsection a/ above, the benefits payable in the event of death and total and irreversible loss of autonomy are maintained under the conditions described in the corresponding paragraphs.

The continuation of cover is granted for the duration of any period of sick leave giving right to waiver of *Premium*.

It ends when *You* are medically certified to be in a condition to return to your professional activity, regardless of the nature of this activity.

In the event of termination of the policy, the benefits are maintained at the amount reached on the date of termination.

9.7. INCOME PROTECTION

This cover can only be selected if *You* are already covered for death and total and irreversible loss of autonomy under the policy (paragraph 9.6.1.) and are in paid employment.

9.7.1. PURPOSE OF THE INSURANCE

This cover provides a daily benefit in the event of temporary total incapacity to work or an annual amount in the case of your permanent disability, following an illness or an *Accident*.

9.7.2. DEFINITIONS

Total incapacity to work means a total temporary incapacity following an illness or an *Accident* that causes *You* to be medically certified as physically unable, as recognised by the insurer, to carry out any professional activity.

Permanent total or partial disability means a disability following an illness or *Accident* making it totally or partially physically impossible for *You*, as certified medically and recognised by the insurer, to carry out your normal profession or a profession in which *You* could earn an amount equal to that which *You* received before taking sick leave from work due to an illness or *Accident*.

9.7.3. LEVEL OF BENEFITS

a) Temporary incapacity

When the insurer recognises *You* to be in a state of complete temporary incapacity to work, the insurer pays *You* a daily benefit starting after a total and continuous sick leave of 30 days or 60 days, caused by an illness or *Accident*, based on the option selected.

The amount of daily benefit is selected by the *Member* between a minimum and a maximum based on the minimum obligatory amount of death benefits selected. The amount is shown on the *Membership certificate* for the first year of cover and then on the last *Premium* notice.

The amount of daily benefit paid over one month must not exceed 70% of your gross monthly income.

b) Permanent disability

You are recognised to be in a state of permanent disability under two conditions:

- if *You* are physically or mentally disabled,
- and
- if *You* are professionally incapacitated.

The degree of functional disability is determined on a scale of 0 to 100%, regardless of professional considerations, based on a reduction in physical or mental capacity following an *Accident* or illness.

The degree of professional disability is then determined on a scale of 0 to 100% according to the degree and type of functional disability in relation to the profession exercised, taking into account the nature of the professional activity prior to the *Accident* or illness, the normal conditions of the profession and the ability to pursue the profession after the *Accident* or illness.

Having determined the degree of functional and professional disability, the degree of disability is determined according to the following scale of disability.

The level of the benefit the *Member* selected is shown on the *Membership certificate*, i.e. 360 times the amount of daily benefit selected.

- If the disability rate "n" determined by the insurer, by expert opinion, is greater than or equal to 66%, the disability is considered to be total. The amount of the payment is equal to the amount of cover selected.
- If the degree of disability "n" determined by the insurer, by expert opinion, is between 34% and 65%, the disability is considered to be partial. The amount of the payment is equal to $n/66^{\text{th}}$ of the total selected disability payment, "n" being the degree of disability determined by the insurer.

No benefits are due if the degree of disability "n" is determined by the insurer to be less than or equal to 33%.

9.7.4. GENERAL PROVISIONS FOR INCOME PROTECTION COVER

a) Recognition and audit by the insurer of the state of incapacity or disability

The insurer may evaluate, recognise and audit your state of incapacity or disability. For this purpose the doctors, agents or representatives of the insurer must be able to visit *You*. *You* must agree to see them and provide them with an accurate account of your condition.

If *You* object to the check-ups and/or medical exams, the insurer may by rights suspend the payment of benefits.

In the event of a dispute between your physician and that of the insurer regarding the state of temporary total incapacity to work or on the state of total or partial permanent disability, *You* and the insurer shall jointly choose a third physician to make the decision.

***You* agree to abide by jurisdiction of the courts of Paris and to waive the right to legal action in any other country.**

b) Payment of benefits

Temporary incapacity: this benefit though acquired daily is paid monthly in arrears for as long as *You* are in a complete state of temporary, total incapacity to work up to the day the permanent state of disability is recognised and, at the latest, up to the 1095th day starting from the date of sick leave or from the date of the late declaration. Payment ends, at the latest, on the day *You* reach your 65th birthday.

Permanent disability: the level of payments can be reviewed in the event of a change to the state of disability. The benefit is paid to *You* quarterly in arrears, for the duration of the disability, up to the end of the quarter of the calendar year in which *You* reach the age of 65.

c) Return to work for a period of less than two months

When *You*, having received the benefit described above and returned to work, require another period of sick leave less than two months later, the aforementioned benefits are once again paid without the application of the *Excess* (30 or 60 days depending on the option selected by the *Member*) if the policy is still valid on the new date of sick leave from work and if it can be proved that the new period of absence from work has the same cause as the previous one.

d) Upgrading of benefits

The daily benefit and annual pensions paid when *You* are unable to work are readjusted on the 366th day following the day *You* ceased to work and on the same date every year.

They are increased by 2% on 1st January each year and within the limits of the funds available. These benefits shall remain at the level reached in the event of termination of policy.

9.7.5. FORMALITIES TO BE COMPLETED WHEN MAKING A CLAIM

How to make a Claim

The declaration of sick leave from work is your responsibility and *You* must notify the insurer, through our intermediary, by registered letter within 30 days of the date of sick leave. This declaration must be accompanied by:

- a medical certificate specifying the date of sick leave, the probable duration of the incapacity and the nature of the illness or *Accident*;
- proof of paid employment;
- for salaried *Insured*: a declaration of sick leave from your employer and proof of gross earnings over the last 12 months including bonuses and your employer's contact details;
- for non-salaried *Insured*: a copy of your income tax return for the previous year.

The insurer reserves the right to request additional supporting documents.

Any sick leave declared after this 30-day period will give rise to no payment for the period preceding the declaration.

At the end of the period of sick leave, *You* must send a return to work certificate to the insurer, through our intermediary.

If the incapacity lasts beyond the date planned for the return to work, a new medical certificate must be provided indicating the probable duration of the new period of sick leave and the nature of the illness or *Accident*.

This requirement is repeated each time that incapacity is extended beyond the expected date of return to work.
